DLA Piper is the only global law firm with a pan-Nordic presence. The cooperative relations between the DLA Piper offices in Norway, Denmark, Sweden, and Finland have enabled us to set up a unique Nordic platform, where we can provide cross-border assistance to our clients. We act as one firm and compile cross-disciplinary teams of highly skilled lawyers.

In the Nordics, we have 550 lawyers organised in sector groups, which share experience and discuss market tendencies across national borders. This contributes to ensuring the key qualifications required, locally as well as globally.
