

DLA Piper named one of the best law firms for client service by BTI Consulting Group

DLA Piper is pleased to announce it has been recognized as one of the best law firms for providing a superior level of client service by BTI Consulting Group in their 2019 BTI Client Service A-Team Rankings report. Over the past year, the firm moved up on the BTI Client Service 30 list from sixth place to number four. DLA Piper was also ranked number two in the survey for Providing Value for the Dollar to in-house counsel.

The survey was based on 350 in-depth interviews with leading legal decision makers at large organizations with average revenue of \$US21.8 billion. The interviews were conducted between January 2018 and November 2018.
