*"We are very pleased with the deal volume during the first quarter across the Nordic region. Our clients have continued to be active on the transaction front, which has kept our team busy."*

*Also, the second quarter looks strong and we expect a steady deal flow - we are currently involved in a number of significant transactions covering several sectors. Our pan-Nordic offering has been well received by the market. We believe our clients benefit from our unique position in the region with offices in Aarhus, Copenhagen, Helsinki, Oslo and Stockholm, allowing us to put the best team in place for each case. We have years of experience in working daily in cross-Nordic teams enabling us to help our clients in very efficient way".*

As the only pan-Nordic Corporate M&A team, and [the largest international law firm in the region](#), DLA Piper is the perfect alternative for all companies requiring corporate services on a Nordic level. Our Nordic Corporate M&A
