

Knowledge, support and networking for the in-house lawyer community

WIN is our award-winning programme representing an evolving series of events, tools and forums which address the technical, commercial and personal aspects of working in-house.

From the rising stars of the in-house team to the General Counsel, WIN offers the tools, training and knowledge for you and your teams to develop. By listening to our clients and identifying the key legal and commercial issues you face on a day-to-day basis, we aim to tailor our services to meet your changing needs and priorities.

WIN is shaped by the in-house community, for the in-house community. Our client advisory committee provides insights and ideas to ensure the programme is tailored to the needs of today's in-house lawyer. We welcome feedback from all WIN members so please get in touch to help shape the agenda.
